FACT - Did you know that the lake water at Vobster Quay is regularly tested for purity and cleanliness?

At **Vobster Quay**, we want you to enjoy your time on the surface as much as you do underwater! Whilst your tanks are being filled with air, nitrox or trimix to 300 bar, relax over a drink and some delicious hot or cold food from our catering van and then pick up a bargain in our well-stocked dive shop. Don't forget that we also offer warm, clean and comfortable changing facilities with **FREE** hot showers

Lying submerged beneath the clear waters of **Vobster Quay**, you'll find an exciting array of fascinating underwater attractions just waiting to be discovered. Have you dived our aircraft wreck or the quarry crushing works yet?
